THE FIRST-EVER MARTINI EXPO DEBUTS IN BROOKLYN THIS SEPTEMBER

Presented By The Mix With Robert Simonson, the Two-Day Event will Spotlight the Cocktail's Cultural Impact, Evolution, and Renaissance

(July 1, 2025, Brooklyn, NY) This September, The Martini Expo—a first-of-its-kind convention dedicated to the culture, craft, and legacy of the Martini—will debut at Industry City in Brooklyn on September 12 and 13. Presented by the award-winning publication *The Mix with Robert Simonson*, the two-day event will explore the Martini's enduring influence through curated tastings, thought-provoking seminars, appearances by leading bartenders, and much more. "The Martini is the greatest cocktail of all time," said Simonson. "Not only does it deserve a convention of its own, it can support one. And there is no better time than now, when the Martini is even more popular than ever."

Kicking off Friday, September 12, 2025, *The Martini Expo* will open with a ticketed dinner and Martini pairing experience at *Confidant*, the acclaimed new restaurant at Industry City. On Saturday, a full day of programming will follow, featuring expert-led sessions on the cocktail's history, variations, and cultural relevance, along with brand showcases from leading gin, vodka, vermouth, and bitters producers. A dedicated book corner will offer author meet-and-greets and Martini literature for purchase, while the evening *Martini Mixer* will spotlight a rotating lineup of top bartenders from premier Martini destinations in New York and beyond. Additional events across the city will be announced in the coming weeks

Notable participants (subject to change) include Dale DeGroff, Julie Reiner, Allen Katz, Phil Ward, Masahiro Urushido, Kenta Goto, Keli Rivers, Lowell Edmunds, Dave Arnold, and Sarah Morrissey, with a full lineup to be announced soon. Brand partners include *Fords Gin*, *Haus Alpenz*, and *Farmer's Gin*, among others. Food vendors include *Hamburger America* by George Motz, *Hawksmoor NY* and the legendary *Crif Dogs*.

Tickets will go live soon on Eventbrite.
